The Arroyo Arnold Palmer Course, located at Red Rock Country Club, is open to public play and is located in the Master Planned Community of Summerlin in Las Vegas. The Arroyo golf course ribbons seamlessly through the rugged terrain and is nestled between the spectacular landscapes of Red Rock Canyon, one of Las Vegas' most revered natural landmarks. Panoramic views of the Las Vegas cityscape are stunning from the Arroyo's hole #7.

This Las Vegas golf course is considered a masterpiece that offers challenges to both beginners and advanced players. The well-kept course makes a stark, yet beautiful, contrast to the rugged terrain that surrounds it. The Nevada weather makes our Red Rock golf club the perfect destination for golfers all year long.
