

PARTNERS FOR THE FUTURE

2010 Scholarship Campaign

HISTORY OF THE FOUNDATION

The Davis Memorial Foundation's mission is to support education, and the development of a well-educated construction industry. Founded in 1995 in memory of Larry and Mary Davis, the Davis Memorial Foundation awards scholarships and grants, and sponsors technical seminars at colleges and universities. Over the years, the Davis Memorial Foundation has awarded over 50 scholarships and grants.

Larry and Mary Davis personified the heart and spirit of the roofing industry community. Committed to supporting those working in the roofing industry, Larry promoted high standards and believed that a well-educated industry was key to future success. Founder of State Roofing Company in Modesto, California, Larry served as a director on the Western States RCA Board of Directors and was active on several committees, often flying to meetings with his wife Mary in their private airplane. They perished in a plane crash in 1995 when they were returning from a committee meeting.

PARTNERS FOR THE FUTURE

The Davis Memorial Foundation Trustees have developed the Partners for the Future program, which allows a simple tax-deductible donation to be made to the Foundation.

With the recent decline of the economy, we realize that this is not an easy time to be generous. By becoming a Partner for the Future, it will not only help the Foundation, but will also help the future of the roofing industry.
